Committee,

Accepts recommendations '1.1.1', '1.1.2'

Adds the following recommendations:

- 1.1.3 Notes the decision of this Council to declare a climate emergency and the subsequent decision at Corporate Policy & Strategy Committee to set a climate target for 2030;
- 1.1.4 Calls for research and analysis on the current economy and the economic challenges for Edinburgh as a result of this target;
- 1.1.5 Agrees that this research and analysis will inform a review of the Edinburgh Economy Strategy in order to develop an outcome based strategy for Edinburgh to meet these commitments, taking into account jobs that will emerge from the need to meet the net zero carbon target, sectoral analysis of carbon footprint and the support, collaboration and leadership that the council will need to provide to move us towards a more sustainable economy.
