## City of Edinburgh Council

25 June 2015

### Item 8.2 – Council Transformation – Status Report

Council approves the recommendations in the report by the Director of Corporate Governance.

Council notes that the report to the Council meeting on 11 December 2014 indicated that it was anticipated that once the Chief Operating Officer and Directorate roles had been filled, one of the individuals may be designated Deputy Chief Executive.

Council now agrees that Alastair Maclean be designated Deputy Chief Executive.
