## Housing and Economy Committee

21 March 2019

### Item 8.6 - City Strategic Investment Fund

Committee:

**Accepts** recommendations '1.1.1', '1.1.2' and '1.1.5'.

**Deletes** points '1.1.3' and '1.1.4' and replaces with:

1.1.3 Notes that the Council's bid to the Regeneration Capital Grant Fund has been unsuccessful and agrees that the allocation from the CSIF will be released back into the fund.

1.1.4 Requests that a further report is brought back to Committee in two cycles setting out an options appraisal for the Powderhall Stables project.

**Amends** point '1.1.5' to read:

"agrees that it is now appropriate to undertake a wider review of the use of the fund, to ensure it is deployed to meet the priorities of the economy strategy, and wider city development and regeneration aims including whether it is appropriate to increase the fund to help meet these objectives. A report on this review will come back to Housing and Economy Committee on 15 August 2019."

**Moved by** Councillor Kate Campbell

**Seconded by** Councillor Lezley Marion Cameron
