

# Addendum – Conservative Group

## Item No. – 8.7

### Report Title – Disposal of Leith Waterworld

Agrees the officers recommendations with the following addendum;

- 1) Agrees that the property be proactively marketed to maximise the prospect of a buyer being secured as soon as possible; and
- 2) Notes the consistency of the Conservative Group position on the closure and sale of Leith Waterworld, and regrets the opportunities which have been missed since 2005 to secure the sale of the property and produce a capital receipt of up to £1,500,000 due to the Council's position of indecision.
