

Addendum by the Coalition

City of Edinburgh Council

2 May 2019

Item 9.13 – Motion by Councillor Miller – Displaying of Goods for Sale on Footways

- 5) Recognises the importance of retail and small businesses to the city and acknowledges it is a challenging time for retail businesses. Asks that the report take into account the importance of the 'life of the street' and refers the report onto Housing and Economy committee for information and comment.
